

# BETSY'S BACK TO SCHOOL BASICS

St. Elizabeth Ann Seton dedicated her life to education. In her honor, the St. Anthony Guild will begin this new program. We shall provide some items important to beginning a new school year. As a result of our very successful February Raffle we will purchase 44 shoe gift cards for 1<sup>st</sup> and 2<sup>nd</sup> Graders at Mary Queen of Apostles, Ft. Crawford, Martin, and Greenwald Elementary Schools. The Guild is pleased to work with school personnel in each of these locations to provide this much needed service.

In addition, we are asking our parishioners to support this project with either a cash donation or by bringing to Mass a few of the school supplies listed below. Backpacks will be filled and distributed, along with the shoe cards.

Collections will be done the weekends of July 24 and July 31, August 7 and August 14. Just look for our "School Bus Containers" at all the entrances.

Your cooperation and generosity is much appreciated.
